In the matter of Eros International Media Ltd.

**Background:**

1. In the financial results disclosed by **Eros International Media Ltd. (“Eros/EIML/the Company”)** for FY 2019-20, impairment provided by the Company on “Content Advances” and “Film Rights”<sup>1</sup>, which along with impairment provided for other advances and goodwill, amounted to Rs.1553.52 Cr. In the same year, Eros also wrote off trade receivables<sup>2</sup> amounting to Rs.519.98 Cr. Pursuant to said disclosure, National Stock Exchange of India Ltd. (“NSE”) examined the financial statements of the Company and forwarded a preliminary examination report (“PER”) to SEBI. It was noted in the PER that revenue from operations, trade receivables and

<sup>1</sup> “Content Advances” and “Film Rights” are Intangible Non-Current Assets

<sup>2</sup> Trade receivables are Current Assets

loans given by Eros mainly comprised of related party transactions, and the same had increased substantially in FY 2019-20. The PER observed that *prima-facie* these transactions indicated that the Company was engaging in financial mis-reporting/siphoning/diversion of funds.

2. Pursuant to receiving the PER, the Securities and Exchange Board of India (“**SEBI**”) initiated a detailed investigation into the affairs of the Company. The investigation broadly focused on identifying potential mis-statements in the books of accounts of the Company, diversion of funds and significant related party transactions, so as to ascertain if any provision of Securities and Exchange Board of India Act, 1992 (“**SEBI Act, 1992**”), Securities Contracts (Regulation) Act, 1956 (“**SCRA**”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“**LODR Regulations**”), SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (“**SEBI (PFUTP) Regulations**”) etc., were violated by Eros. The investigation is currently in progress and a forensic auditor has also been appointed to conduct an examination into the books of accounts of the Company.

**Preliminary examination of the financial statements of the Company:**

8. The annual report of Eros for FY 2019-20 disclosed the following in respect of “content advances” and “trade receivables”:

*“Company enters into agreements with production houses to develop future film content. Advances are given as per terms of agreements. Such content advances are monitored by the management of the Company for recoverability and appropriate write-offs are taken when film production does not seem viable and refund of advance is not probable basis management evaluation”.*

“The Group had entered into an agreement with some of the customers which entitled them to exploit the film rights for the period as specified therein. The amount receivable from such customers under the said agreement has been past due over a prolonged period. Due to disruption in the film business caused by the outbreak of COVID-19, the management does not have any reasonable expectation of recovering the amount due and therefore has terminated the agreement with such customers. Consequently, the receivables of Rs. 51,998 lakhs have been written-off by the management and has disclosed the same under the exceptional item.”

11. Subsequently, SEBI, vide letter dated February 11, 2022, advised Eros to provide *inter-alia* copies of agreements entered with aforesaid “Content Advances entities” and “Trade receivable entities”, details of efforts made by Eros to recover the due amount from defaulting entities and details of legal action taken against aforesaid entities for recovering the money due to the Company. Eros, vide e–mail dated February 18, 2022, sought an extension of time, sighting limited availability of resources due to the Covid-19 pandemic, attrition of employees and voluminous data sought by SEBI. Acceding to the request, SEBI, vide e–mail dated February 21, 2022, advised Eros to provide the information by February 28, 2022. Subsequently, vide three e–mails dated February 24, 2022, February 25, 2022, and February 28, 2022, Eros provided

certain agreements and minutes of audit committee meetings. As the information provided by Eros was incomplete, SEBI vide e-mail dated March 02, 2022, granted Eros time till March 09, 2022, to provide the complete information sought.

12. Pursuant to the same, vide three separate e-mails, dated March 07, 2022 (two e-mails) and March 11, 2022, Eros provided certain additional information, which again was found to be incomplete. As the Company had not submitted the complete information sought by SEBI even after additional time was provided, a meeting was held with the Compliance Officer of Eros on May 09, 2022. The Compliance Officer of Eros, during the course of the said meeting, stated that there was a delay in providing the information as *he "...was not keeping well and there was no employee at senior level in finance team. [He] will provide remaining data on or before May 19, 2022"*. Subsequently, vide letter dated May 19, 2022, Eros provided certain additional information. It was, however, again noted that the information provided by Eros was incomplete as the Company only provided sample agreements covering approximately 50% of the written-off amount.
13. On examination of agreements and other information provided by the Company, it was identified that agreements with the TREs were entered in FY2016-17 and FY2017-18 and provided a period of three years for making the payments. The Company, it was however noted, had written off the entire outstanding amount in FY2019-20 itself, i.e. before the expiry of three years and also without taking any remedial measures for recovery. Further, in response to SEBI's query regarding legal action taken by the Company to recover the advances, Eros provided copies of demand letters dated August 10, 2021, sent to 10 TREs. On examining the same, it was identified that the demand letters were sent almost one year after the write-off of the trade receivables (Rs.519.98 Cr.). No other legal action was taken by the Company against these entities. In respect of the agreements entered with the CAE, it was noted the agreements related to the production of titled/untitled feature films by the CAE, which were to be financed by Eros. It was, however, noted that even though substantial amounts of money had been transferred to the CAEs by Eros, as per the terms of the respective agreements, most of the movies had not yet been made/released.

14. Given the delay in providing complete information by the Company and *prima-facie* suspicion of misutilisation, SEBI proceeded to call for the information directly from the “Trade receivable” and “Content advance entities”.

### **Trade Receivable Entities**

15. As noted earlier, the Company had entered into contracts/agreements with 17 Trade Receivable Entities. These agreements pertained to the exploitation of “theatrical rights” and “Satellite/Video on Demand Rights”. Depending on the rights assigned, these agreements could be classified as “distribution agreements” and “license agreements”. The rights assigned to “Distributor” and “Licensee” were defined under the respective agreements as follows:
- “Distributor” was provided three years’ theatrical rights in all formats, including Digital Theatrical rights as per the provisions of the Copyright Act, 1957 in Hindi and in particular regional language, on an outright basis. Also, as per the agreements, these entities were licensed to re-release already released movies in regional language after dubbing the said films and getting censorship certificates from the “Central Board of Film Certification” (“CBFC”) under the Cinematograph Act, 1952, in the licensed territory defined in each agreement.
  - “Licensee” was provided five years’ “satellite rights” and “Video on Demand Rights” for the Territory of India and Video Parlour Rights of the said films dubbed in regional language for the licensed territory defined in the agreement.
16. Summons dated July 19, 2022, was issued to the 17 TREs and their Directors, at the address available in MCA records, to examine whether these entities commercially exploited the rights acquired from Eros under these agreements. The following information was sought from the aforesaid entities;
- Details of districts and Talukas in which movies were released, along with the list of theatres,
  - Date/s of such release along with details of net monthly collection (along with copies of bank statements clearly highlighting receipt of payment),
  - Details of marketing, advertising, publicity and creative expenditure incurred for the release of movies, along with documentary evidence,

- Copies of agreement/s entered with theatre owners and booking platforms like BookMyShow, Paytm etc., for the release of movies,
- Reason for non-payment of outstanding dues to Eros which lead to termination of agreement/s by Eros, including copies of all the correspondences with Eros w.r.t. non-payment of outstanding dues.

17. Summons issued to 10 TREs returned undelivered with remarks such as “no such addressee” or “no such consignee”. Further, even the TREs and the Directors to whom Summons were delivered either failed to reply to SEBI’s summons or responded seeking an extension of time and did not furnish the information sought by SEBI.

18. Subsequently, as many of the Summons issued to the addresses available on the MCA Database were not delivered, reminder Summons/letters/e-mails were sent to the TREs and their present Directors on alternate addresses and e-mail ids taken from the KYC database of SEBI. Pursuant to the same, SEBI started receiving replies from some of the Directors and TREs. However, even in this instance, it was noted that the entities only provided basic information such as GST returns, income tax returns, invoices etc. (“**Basic Information**”) and failed to furnish any material which would indicate that the entities had taken steps to commercially exploit the rights obtained from Eros. The details of the Summons issued and the summary of responses are detailed in the Table below:

19. It can be noted from the above Table that out of the 17 TAEs, only 13 responded to Summons issued by SEBI. Further, even the 13 entities which responded only provided basic information and did not provide any information/documents which could substantiate that they had taken steps to exploit the commercial rights acquired from Eros.

- d. The transactions took place without his knowledge and the firm was absolutely not under his control since he was made a dummy Director.*
- e. He has not received any kind of remuneration from the firm till date.*

*II. Mr. Yogendra Garje, Director, Supernova Advertising Ltd., Springboard Media Ventures Pvt. Ltd. and Jeewan Commodities Pvt. Ltd. in his statement made submissions similar to those made by Mr. Uplaksh S. Adlakha.*

*III. Bhushan V. Sakpal, Director, Sri Karani Exports Private Ltd.*

- a. He was fraudulently and wrongfully appointed as Director*
- b. He does not possess any documents which are associated with the Company*

c. *He is a victim of fraud and he has filed a police complaint against Mr. Dharmraj Kanojia and Mr. Bhanu Kumar Goyal, who obtained his self-attested PAN Card and Aadhar Card by promising to help him find a good job.*

21. The submissions of these three Directors indicated that they were dummy Directors and that the companies were being controlled by others (this included Mr. Nitin Boricha Kishore, whose connection with Eros is discussed in detail in subsequent paragraphs of this order).
22. It was noted during the investigation that the agreements entered by the TREs with Eros granted them the rights to re-release movies in multiple regional languages. Each movie that was released in India (even if it was re-released after dubbing) compulsorily needed to obtain a certificate from the Censor Board. It was, therefore, noted that after dubbing in regional languages, 160 movies would have required 977 separate approvals as one movie would be dubbed in multiple regional languages. However, on examination of the CBFC website, it was noted that Censor Board certification was not obtained for re-releasing any of these movies. Further, no information was furnished by any of the entities or their Directors which would indicate that the movies were actually released. This casted doubts on whether the entities had actually commercially exploited the rights obtained from Eros.
23. Considering the statements made by the Directors of the TREs, the absence of data to indicate that the TREs had taken steps to re-release the movies, coupled with the fact that many TREs were not traceable/not responding to the Summons issued by SEBI, raised questions regarding the business operations of the TREs and called into question the revenue recognized in the books of Eros on the basis of agreements entered with these entities.
24. It *prima facie* appeared that most of the TREs were paper companies with no business operations. Given the same, the financial statements filed by these companies with MCA were examined. It was noted from the financial statements that the TREs had reported significant revenues only in the financial years they had business transactions with Eros. Further, some of these entities had not filed financial statements for the last 6-7 years, and certain others had filed statements showing Nil revenue since incorporation.

The details of revenue of these entities in the period prior to/post business with Eros are given in the Table below:

25. Further, on examination of the Goods and Services Tax (“**GST**”) registration certificate of these entities, it was observed that the nature of business as per GST records is significantly different from the “*Object Clause*” in the Memorandum of Association (“**MoA**”) filed by these entities with MCA. Further, the nature of the business of many of these entities as per the GST data was not related to the media/entertainment industry. It was also noted that the GST License of certain TREs was cancelled by the GST department retrospectively from the date of registration. The GST registration of one TRE (Jiwanjyoti Sales Pvt. Ltd) was cancelled as the registration was obtained by means of fraud and willful misstatements of facts and submitting false and fabricated documents. The current status of the GST Registrations of the TREs is given in the Table below:

26. It was observed during the investigation that apart from the aforesaid 17 TREs, the Company had also entered into similar seemingly fictitious agreements with two other entities - Silver Frame Movies and Venu Visuals. Investigation revealed that the Company had been entering into such agreements with these two companies even prior to FY 2012-13. Silver Frame Movies and Venu Visuals are sole proprietorships of Mr. Tharemana Krishnamurthy and Mr. Nagarajan, respectively. As per the GST registration details, both these entities are involved in the “*Business of making/developing cinematographic films, etc.*”. It was noted that the GST Registration of Silver Frame was cancelled w.e.f. January 2022.
27. Examination of the ledgers of the TREs, Silver Frame Movies and Venu Visuals, maintained in the books of Eros, revealed that Eros had recognised revenue of Rs.1623.81 Cr, during the period FY 2012 -13 to FY 2018-19 from these 19 entities, out of which Rs. 1099.59 Cr was shown as received in the books of the Company. As most of these entities appeared to be paper entities, SEBI analyzed their bank statements to determine the source of funds used for making the payment to Eros. From fund flow analysis, it was *prima facie* noted that almost 60% of the funds transferred by these entities to Eros were directly/indirectly funded by Eros itself (The investigation is still ongoing and at this stage 60% of the funds could be traced back to Eros). It was also noted that in some instances, the amounts were paid back by these entities to Eros on the very day the funds were transferred by Eros to their accounts. In other instances, it was transferred back after a gap of a few weeks/months. The details of such transfers are given in the Table below:

Table 11

28. A pictorial representation of one such instance of fund flow from Venu Visuals to Eros is depicted as under:

29. It can be noted from the transactions depicted above that the funds that were transferred by Venu Visuals to Eros can be traced back to the books of Eros. A significant portion of these funds, it can be noted, were initially transferred by Eros to CAEs, ostensibly for producing movies, and CAEs transferred the money to Venu Visuals, which in turn transferred the money back to the accounts of Eros. In view of the aforesaid, it prima facie appears that Company overstated its books of accounts by recording revenue receivable from potentially bogus entities and subsequently round tripping its own funds to these entities to enable them to make payments against the revenue that has already been recognized. It was also noted, that over the years, the revenue from these 19 entities came to represent a significant portion of the total earnings of Eros.

30. As an illustration, in FY-19, more than 65% of the total revenue of Eros came from these 19 entities, the details of which are given in the Table below:

Particulars	FY 2012-13 to FY 2014-15	FY 2015-16	FY 2016-17	FY 2017-18	FY 2018-19	FY 2019-20	Total
Revenue accounted by EIML [A]	2854.13	1,178.68	1,146.18	707.66	835.64	669.00	7391.29

Revenue earned from 19 customers of EIML (as per the ledgers in the books of accounts of EIML) (B)	200.66	183.63	219.5	399.82	557.76	62.44	1623.81
<b>% of Revenue earned from 19 customers of EIML (B/A*100)</b>	7.03%	15.58%	19.15%	56.50%	66.75%	9.33%	21.97%

31. These figures call into question the integrity of the financial statements of the company and give an indication that Eros was using the cover of these entities to inflate its financial statements. Subsequently, in FY 2019-20, it appears that the Company, under the guise of Covid-19, attempted to clean up its balance sheet by writing-off the outstanding balance shown as receivable from these 19 entities in its books.

### **Content Advance Entities**

32. It was noted that as on March 31, 2020, out of total “*Content Advances*” (Intangible Assets) of Rs.1650.33 Crore (before impairment provision) reflected in the books of Eros, Rs.1518.20 Crore (Rs.1487.95 Crore + Rs.30.25 Crore) representing 92% of the content advances was made to 18 entities. Out of the Rs.1518.20 Crore, Eros impaired/wrote-off Rs.1172.41 Crore or 77.22% of total outstanding content advances made to these 18 entities. This further represented 88.8% of the total content impairment/write-off made by Eros.
33. As the amount of impairment was significant, SEBI issued Summons dated July 22, 2022, seeking information pertaining to the utilisation of funds received from Eros to 12 CAE and its Directors (which together accounted for Rs. 850.76 Cr of the amount impaired), namely Viyanaa Media Works Private Ltd. (Formerly known as Nextgen Films Pvt Ltd.) (“**Nextgen**”), RV Films (“**RV**”), Spicy Entertainment and Media Ltd. (“**Spicy**”), Virgo Entertainment Pvt Ltd (“**Virgo**”), Mediaone Global Entertainment Ltd (“**Mediaone**”), Metronet Multimedia Pvt Ltd (“**Metronet**”) Upkar Dealtrade Private Ltd. (“**Upkar**”), Dil Multimedia Pvt Ltd (“**Dil Multimedia**”), Adarsh Telemedia Pvt Ltd (“**Adarsh**”), Colour Yellow Productions Pvt Ltd (“**Colour Yellow**”), Red Eye Kraft Pvt. Ltd. (“**RedEye**”) and Ritestone Solutions Pvt Ltd (“**Ritestone**”), at the address available as per the MCA website.
34. Summons issued to five CAEs (Nextgen, RV, Spicy, Upkar and RedEye) returned undelivered with remarks “*door locked*” or “*no such consignee*”. These 5 CAEs accounted for 42% (Rs.550.11 Cr) of the content advance

impaired/written off by Eros. Further, even the remaining seven companies and the Directors to whom Summons were delivered either failed to reply to SEBI's summons or responded without providing any information and only sought an extension of time.

35. As the 12 CAEs mentioned above failed to provide any information regarding the utilization of the funds provided by Eros, SEBI proceeded to issue Summons to the Directors of three of the Content Advance Entities (Nextgen Films Pvt. Ltd., Spicy Entertainment & Media Ltd. and Upkar Dealtrade Pvt. Ltd) during the period when money was advanced by Eros, at the alternate addresses obtained from the KYC database of SEBI. Details of the Summons issued are given in the Table below:

Table 13			
Name of Content Advance Entity	No. of Directors Summons issued to	Compliance with Summons for production of documents	Compliance with Summons for personal appearance
Next Gen Films Private Ltd. (Now known as Viyanaa Media Works Pvt Ltd)	4	All 4 have submitted response	All 4 Directors failed to appear before SEBI
Spicy Entertainment & Media Ltd. (Listed – BSE SME)	Executive Directors – 3 Independent Directors – 7 Total - 10	8 Directors to whom Summons delivered submitted replies. 3 – Executive Directors 5 Independent Directors	All 8 Directors to whom Summons delivered failed to appear before SEBI
Upkar Dealtrade Private Ltd.	11	Summons delivered to only 6 Directors. All 6 Directors submitted reply	Only one Director out of the 6 who had received the Summons appeared before SEBI.

36. On examination of documents/information submitted by these entities, it was noted that none of the entities have provided information relating to the utilization of funds received from Eros for the production of movies by these entities. SEBI, therefore, provided additional opportunities to these Directors to appear before SEBI and record their statements. Despite granting additional opportunities, most of the Directors who had been summoned, citing reasons such as “*suffering from health issues and have been advised to avoid travelling*”, “*working in Kolkata, can't travel to Mumbai*”, etc., expressed their inability to appear before SEBI. Subsequently, SEBI provided an opportunity to these Directors to record their

statements in their respective cities. Here again they failed to present themselves before SEBI.

37. It can therefore be noted that out of the 25 present and past Directors of CAEs summoned by SEBI, only 1 Director (Mr. Debrup Dutta, Director of Upkar Dealtrade Pvt. Ltd.) appeared before SEBI. Mr. Datta, in his statement, submitted that he was not aware of the fact that he was appointed as Director of a company. He further stated that due to his poor financial condition, he gave his KYC documents (PAN, Aadhar and Photo) to a person for which he has paid a sum of Rs. 500 per month.
38. SEBI, with the assistance of the local police, also attempted to hand deliver the Summons to Mr. Nitin Boricha Kishore at his address in “*Mumba*”. When the SEBI team arrived at his residence, he was not present. On contacting him over the phone, he assured the SEBI team that he would return home in the next 15-20 minutes. He, however, failed to appear and based on subsequent discussions with him over the phone, the Summons was delivered to his mother. He communicated that he would be visiting SEBI Office to record his statement. However, despite hand delivering the summons and the assurance given by him, he subsequently failed to appear before SEBI. It may be recalled that Mr. Kishore was named by Mr. Uplaksh S Adlakha and Mr. Yogendra Garje, Directors of Supernova Advertising Ltd., a TRE, in their statements before SEBI, as being in “*control*” of the said entity.
39. The submission of Mr. Debrup Dutta and the failure of CAEs and their Directors to appear before SEBI raises serious questions on the business activities of the content advance entities. Further, as all the Directors, other than Mr. Datta, to whom Summons was issued, failed to appear and considering that many of them had cited similar reasons for their non-appearance, *prima facie*, it appears that there is a concerted effort on the part of the CAEs and its Directors to stall the investigations initiated by SEBI.
40. As no information was received from these entities, SEBI proceeded to examine the ledgers of *content advances entities* in the books of Eros. It was noted that there were payments made to these entities as far back as FY2012-13. The ledger analysis of *Content Advances Entities* revealed the following:

41. It can be noted from the Table that for 8 of these entities (viz. Spicy, Express, Upkar, Dil, Adarsh, Siddharth Anand, Red Eye Kraft, Encash), to which Eros had cumulatively advanced Rs.332.00 Crore, no film rights were recorded in the balance sheet of Eros. Further, in the subsequent financial years (FY2020-21 and FY2021-22), a substantial portion of the advances made to these 8 entities were impaired.

42. In the case of four of the said 8 entities, 100% of content advances were written off by EROS in subsequent years, the details of which are as follows:

Table 15

43. This further raised doubts about the genuineness of the amounts paid by Eros to *Content Advances Entities*. Further, as already mentioned, the entities Encash and Upkar are not in the media/entertainment business.
44. SEBI Investigation also revealed that 11 out of the 18 CAEs are prima facie directly/indirectly connected to Eros through common Directors. These 11 entities accounted for almost 65% (i.e. Rs. 868.23 Cr out of the total impairment of Rs. 1320.40 Cr) of total impairment provision/write-offs. Further, these 11 connected entities include 4 entities to whom the aforesaid SEBI Summons were returned "Undelivered". The details of the connection are explained as under:

46. On analysing the ledgers provided by Eros, it was noted that a substantial amount - Rs.1247.49 Crore - was identified as untraceable (neither any film rights were created nor the funds returned to Eros) and 94% of this amount (Rs.1172.41 Cr) was subsequently written off by Eros. Therefore, to understand the actual utilization of the funds provided by Eros, the bank statements of the aforesaid entities for the period 2012-13 to 2019-20 were examined. The analysis revealed that, prima facie, Eros appeared to have siphoned off/diverted funds using these CAEs since FY2012-13. SEBI Investigation, which is ongoing, has at this stage identified that potentially Rs. 687. 37 Cr out of Rs.1247.49 Cr,

which was untraceable, was siphoned off/diverted by Eros. The details of the same are given in the table below and explained in subsequent paragraphs:

48. It can be noted from the Table above that Eros had transferred Rs.69.10 Crore to certain CAEs for the production of various movies. However, neither the Company nor the CAEs nor any of its present Directors could produce any material before SEBI to show the utilization of the funds transferred by Eros. The past Directors of Nextgen (Vikram V Rajani & Drishti V Rajani), in their reply dated March 31, 2023, provided a list of movies which were not produced. The list *inter-alia* included movies such as Desi Boyz 2, Untitled - Sanjay Puran Singh, Untitled – Rahul Dholakia etc. They stated that movies were not produced due to factors such as the non-availability of star cast, change in priority of Director-producer etc. However, as mentioned in the table above, the bank statement analysis revealed that the amount given by Eros to Nextgen for the production of

these movies was never utilized for any production-related activities, rather on the very same day of receipt, it was transferred to EWW, the promoter of Eros. One such instance of transfer of funds to EWW is detailed below:

49. On December 26, 2016, Eros made a payment of Rs.27.50 Crore to Nextgen for making certain movies. However, on the very same day, out of Rs.27.50 Crore, Nextgen transferred Rs.27.13 Crore to EWW. The relevant extract of the bank statement of Nextgen (IOB- 01990XXXXXXXXX21) and SWIFT message is as follows:

50. The fact that the amount paid was never utilized for the intended purpose of production of movies is further corroborated by the remarks mentioned in the aforesaid SWIFT message, wherein it is mentioned that the remittance is part payment towards purchase of theatrical rights.

51. During the investigation, news reports dated December 22, 2022, with the title “*Remake of Omkara, Desi Boyz sequel in the works. Upset fans ask ‘why?’*”, was noted. The articles stated that the movie would be jointly produced by Eros, Anand Pandit and Parag Sanghvi. However, it was noted that an agreement dated April 11, 2014, was already signed between Eros, NextGen and EWW to produce Desi Boyz 2 and in FY 2016-17 Eros had made a payment of Rs. 21.75 Crores to NextGen towards this end. Therefore, vide Summons dated April 21, 2023, Eros was *inter-alia* advised to provide clarification for payments of Rs.21.75 Cr. to NextGen for Desi Boys 2.
52. In its reply dated April 28, 2023, Eros provided copies of two agreements: one dated April 11, 2014 and the other December 12, 2022. These agreements were entered by Eros for production of Desi Boyz 2 and certain other movies. The first agreement dated April 11, 2014 was entered between Eros, NextGen and EWW, wherein Eros and NextGen were co-producers and EWW was the “Confirming Party” without any role in production of the movie. The second agreement dated December 12, 2022, was entered by Eros with Anand Pandit Motion Pictures LLP and Parag Sanghavi, wherein all the three parties are co-producers. It was, therefore, noted that Eros has entered into two agreements for same movie.
53. Eros, further, submitted that the aforesaid payment of Rs.21.75 Cr. was made towards pre-production activities i.e. payment to male lead cast, pre-production activities like development of concept, development of script, screenplay, etc. The Company, however, failed to submit any documentary evidence to support this claim. It was also submitted that the production of Desi Boyz 2 with Nextgen had stalled due to the failure of the management of Nextgen and the director to complete the concept development, failure to finalize the screenplay of the film due to certain difference in opinion, change in management of Nextgen and due to Covid. However, as mentioned above, the entire amount paid by Eros was diverted to the overseas promoter of Eros (EWW), overseas connected entity of Eros (Velocity Films Ltd, UK) and utilized for servicing a loan taken by NextGen. It was also noted that change in management of NextGen took place only in September 2019, which was almost five years after entering into the initial agreement, and Covid related restrictions were imposed only in March 2020.

54. Eros also submitted a copy of an arbitration notice dated January 09, 2023, which was sent by Eros to recover monies from NextGen, However, certain inconsistencies were noticed in the aforesaid arbitration notice which is detailed below;

- There was no mention regarding payment of Rs.21.75 Cr. in the arbitration notice. The notice demanded a payment of Rs.12.00 Cr. from NextGen, which was a payment made by Eros for Cocktail-2, which was never produced by Eros;
- The said notice was sent six years from the date of initial payment and after the initiation of the investigation by SEBI;
- The arbitration notice also mentions that the first legal notice for recovery from NextGen by Eros was sent only on September 19, 2022, which was two years after providing for provision for impairment of content advance given to NextGen.

55. Given the above, it appears that the arbitration notice and the legal notice sent by Eros to NextGen were a mere formality and the company appears to not have taken any effective steps for recovering the amounts transferred to NextGen.

**Siphoning-off of funds to Overseas connected entities of Eros**

56. Investigation has at this stage identified that out of the funds transferred by Eros to CAEs, Rs.14.23 Crore was transferred by these entities to overseas connected entities of Eros, namely. Velocity Films Ltd., UK (Previously known as Silverscreen Films Ltd, UK) and Globus Ent FZE, UAE. The details of their connection with Eros have already been explained in the earlier part of this Order. The details of funds transferred to these entities are given in the Table below:

57. Even in this instance, it was noted that neither the CAEs nor their past/present Directors could provide any information regarding the utilization of funds received from Eros. Further, the bank statement analysis revealed that a sum of Rs. 14.23 Cr was transferred to overseas connected entities of Eros. One such instance of transfer of funds is detailed below:

On February 20, 2017, Eros made a payment of Rs.3.25 Crore to Nextgen and Rs.1.25 Crore to Virgo for the stated purpose of producing certain movies. It is, however, noted from the bank statements that on the very same day, Nextgen

transferred the entire amount received from Eros (Rs.3.25 Cr) to Virgo. Therefore, by the end of the day, Virgo's account is holding Rs. 4.5 Cr, which has effectively originated from the accounts of Eros, and on the very next day Virgo transfers Rs.4.39 Crore to its connected entity Velocity Films Ltd., UK. The relevant extract of bank statements of Nextgen (IOB- 01990XXXXXXXXX21), Virgo (IOB- 01990XXXXXXXXX58) and SWIFT message is as follows:

58. The fact that the amount paid was never utilized for the intended purpose of production of movies, namely Desi Boyz 2, Untitled – Nikita Pai, Chanda Mama Door ke, Aankhein – 2, Kick - 2, is further corroborated by remarks mentioned in aforesaid SWIFT message, wherein it is mentioned that the remittance is an advance payment towards the production of a movie titled Cobra.

### **Diversion of funds to Relatives of Promoters of Eros, i.e. Vikram V Rajani:**

59. Investigation so far has revealed that at least Rs.56.73 Crore out of the funds transferred by Eros was ultimately transferred by the CAEs to a relative of the Promoters of Eros i.e. Mr. Vikram V. Rajani (he is brother in law of MD and vice chairman of Eros, Sunil Arjan Lulla). The details of his connection with Eros have already been explained in the earlier part of this Order. To understand the reason for these payments to Vikram V. Rajani, Summons dated March 08, 2023, March 23, 2023, and March 31, 2023, were issued to present and past Directors of Nextgen, including Vikram V. Rajani for personal appearance. However, he failed to appear before SEBI despite being granted multiple opportunities. Further, Vikram V Rajani, vide letter dated March 31, 2023, responded to SEBI's Summons without providing any reason for his failure to comply with the Summons issued by SEBI. Vide this letter, he *inter alia* provided a list of movies which were not produced by Nextgen

60. On examination of the ledger of Nextgen in the books of Eros and bank statements of Nextgen, it was noted that in FY2014-15, 2015-16, 2016-17, 2017-18 and 2018-19, Eros had funded Nextgen for production of certain movies which *inter-alia* included Phobia 2, Untitled – Sanjay Puran and some other untitled movies. On further analysis of the bank statements of Nextgen, it was noted that instead of utilizing the funds for the intended purpose of production of movies, Nextgen diverted some of the funds to bank account its Director – Vikram V Rajani. The said amount was diverted in 85 transactions on 68 different dates. The details of the diversion of funds to Vikram V Rajani are as follows:

FY	Amount diverted to Vikram Rajani (Rs.)	No. of Transactions
2014-15	34,31,41,060	13
2015-16	1,05,42,950	12
2016-17	2,41,56,500	17
2017-18	16,95,92,000	25
2018-19	1,98,42,000	18
<b>Total</b>	<b>56,72,74,510</b>	<b>85</b>

The instances of two such transactions are detailed as follows:

**Instance -1:** On January 10, 2018, Eros paid Rs. 5.25 Crore to Nextgen for three movies, namely Untitled – Sanjay Puran Singh, Untitled – starring Tiger Shroff and HIT. However, on the very same day, i.e. January 10, 2018, Nextgen transferred the entire amount of Rs.5.25 Crore to Mr. Vikram V. Rajani's personal bank account (HDFC bank account). The relevant extract of bank statements of Nextgen (IOB- 01990XXXXXXXXX38) is as follows:

Rajani’s personal bank account (HDFC bank account). The relevant extract of bank statements of Nextgen (Yes Bank- 00108XXXXXXXXX40) is as follows:

61. The examination of publicly available information revealed that the movies, namely Phobia 2, Untitled – Sanjay Puran Singh, Untitled – starring Tiger Shroff etc., were never produced. This fact was also confirmed by Mr. Vikram V Rajani in his letter dated March 31, 2023, wherein he provided a list of movies which were not produced by Nextgen. Further, the ledger analysis revealed that Nextgen has not refunded or returned this amount to Eros.

**Diversion of funds to connected entities for making Loan Repayments:**

62. It is noted that as per the terms of the agreements entered by Eros with the CAEs, for the co-production of various movies, entire production-related expenses was to be met by Eros. The relevant extract of one of such agreements dated April 11, 2014, entered between Eros, NextGen and EWW is extracted below:

8. Payment: Parties agree that Party of the Second Part shall fund the entire budget to party of the First part from
- its own internal sources; and/or
  - By arranging itself or through its Group Companies, Standby Letters of Credit to fund the Budget of the film, which shall be retired on or before release of the film; and/or
  - By issuing guarantees to any lender who may be willing to lend directly to the Party of the First Part for the said films only by way of specific film/project finance; and/or
  - If production is set in the UK or any country that offers film tax credit and the said films qualify for such tax credit, then by facilitating the discounting of such successful application and providing the funds for the production.

Party of the First Part agrees and confirms that any amount paid directly by the Party of Second part to various parties in respect of the said 4 films from time to time, shall be appropriated towards the Budget of the respective films and it shall be valid discharge of payment by Party of Second Part to party of first part against the film budget.

63. However, on analysis of the bank statements of Nextgen and Virgo, it was noted that instead of utilizing the amount for the intended purpose of producing movies, Nextgen/Virgo utilised the funds for servicing loans which had already been availed by them. It was noted that, by following this modus operandi, *prima-facie* Nextgen/Virgo diverted Rs.111.09 Crore out of the funds transferred by Eros. Two such instances are described below:

**Instance-1:** On January 09, 2017, Eros made a payment of Rs.26 Crore to Nextgen as part-payment for production of four movies (Desi Boyz 2, Untitled Aditya Dutt, Untitled Sanjay Puran Singh and Chanda Mama Door Ke). However, instead of utilizing the said amount towards the production of movies, on the same day, NextGen made payments to its other account maintained with HDFC Bank - account number 054XXXXXXXXX02. On analysis of the said HDFC Bank account statement, it was noted that the said amount was paid by NextGen towards repayment of its loan/OD Limit. The relevant extract of HDFC Bank account of Nextgen is as follows:

**Instance-2:** On January 11, 2017, Rs. 13 Crores were paid by EIML in the “Indian Overseas Bank Account no. 0199XXXXXXXX58” of Virgo, and as per the narration of accounting entries, Rs. 10 Crores was towards an “Untitled Movie” and Rs. 3 Crores was towards a movie named “The Real Heros”. However, on

the same day, Virgo instead of using it for production expenses, used the amount for servicing its HDFC, FCNR (B) Loan Account. Further, from the loan sanction letter, it was observed that the said loan was sanctioned to Virgo against the guarantee of EIML. The relevant extract of HDFC bank account of Virgo is as follows:

**Diversion of funds to Other Group companies of Eros:**

64. Investigation so far has revealed that Eros has siphoned Rs.46.71 Crore to group companies of Eros, namely Eros Television India Private Ltd. and Eros International Films Pvt. Ltd using *prima-facie* three Content Advance entities as conduit viz. Nextgen, MM and Virgo. One such instance is presented as under: On December 22, 2014, Eros made a payment of Rs. 25.25 Crore to Nextgen (IOB – 0199XXXXXXXXXX21) towards payment for the co-production of “Untitled Movie”. However, on the same day, Nextgen diverted Rs. 25 Crore to Eros Television India Private Ltd.. The relevant extract of the Nextgen (IOB – 0199XXXXXXXXXX21) is as under:

**Diversion of funds to potentially connected parties of Eros:**

65. During the course of the investigation, certain entities were identified to be connected with Eros. The details of funds diverted to the potentially connected entities to Eros and details of their relationship with Eros are as follows:

66. One such instance is presented as under:

In January 2016, Eros again made a payment of Rs. 30.25 Crores to Ritestone, which as per the narration in the ledger is “Paid towards 2 Untitled Films”. However, on the very same day of receipt of the amount from Eros, a sum of Rs. 30.16 Crores was transferred by Ritestone to “Mediaone Global Entertainment Ltd” (PNB – 1384XXXXXXXXXX20). Further, as per the MCA records, Ritestone has been struck off w.e.f. April 23, 2016. The details of payment by Eros to Ritestone and Ritestone to Mediaone are as under:

**Diversion of funds through multiple layers to connected/unconnected entities**

**by not producing any movie:**

67. As mentioned in the above paragraphs, Eros made a payment of Rs.332.00 Crore to 8 entities for the production of movies. However, the ledger analysis of these entities indicated that the Company had not recorded any assets from these entities.

68. The bank statement analysis so far has been carried out for 6 of these entities. The same has indicated that these entities had never utilized the funds for the intended purpose of production of movies, but rather diverted the received funds to some other entities on the very same day of receipt or after a gap of few days. The details of which are as follows:

Table 24

69. It can be noted from the table that around Rs. 23 Cr, which was transferred to CAE, was in turn transferred by them to TREs, which, as stated in the earlier part of this Order, were prima facie observed to be mostly paper entities having no real business operations. This raises the possibility that funds which were transferred by the TRE to Eros actually originated from Eros and were round tripped through CAE to TREs and back to the books of Eros, raising serious questions about the integrity of the financial statements of Eros. It was also noted that significant sums were also transferred to entities connected to the promoters of Eros and to entities that were not engaged in activities related to the entertainment industry, raising further questions about the purpose of these transactions.

70. Given the above, it appears that Eros entered into potentially fictitious agreements with “content advances entities” and a significant portion of the money transferred as content advances was siphoned off/diverted to entities connected to the promoters of the company.

**Price volume analysis of Scrip:**

71. The price movement of the shares of Eros from 01.04.2011 to 31.03.2022 is as under:

72. It was observed that the price of the share touched a high of Rs. 644.40 on July 20, 2015, and started falling thereafter. It continuously fell and touched a low of Rs. 7.17 on March 24, 2020. It currently trades at a price of Rs. 26.72 (June 21, 2023) per share with a market capitalization of Rs. 251.29 Cr.
73. On examination of promoter shareholding, it was noted that before the price fall, promoter shareholding was 74.41% as on March 31, 2015. Thereafter, it remained more or less in the same range and was 73.34% as on March 31, 2017. Thereafter, as on March 31, 2023, the promoter shareholding stood at 16.25%, i.e. reduction of 57.09% from March 31, 2017. On further examination, it is noted that this reduction is primarily because of the invocation of pledge and on-market sale by EWW.

**Violation of SEBI Act and PFUTP Regulations:**

74. Mr. Sunil Arjan Lulla, the executive Vice Chairman and Managing Director of Eros (Noticee 4), has been associated with the Company since its inception and Mr. Pradeep Dwivedi, Chief Executive Officer (Noticee 5), has been acting as the Group CEO since January 2020. It is therefore noted that Noticee 4 has been part of the management of the Company throughout the period when these alleged transgressions were observed, whereas Noticee 5 was acting as the CEO during the period when the impairment was recognized and substantial questionable related party transactions were observed. EWW (Noticee 2), is one of the promoters of Eros (Noticee 1), and EDPL (Noticee 3), which is controlled by EWW and Sunil Lulla, has been noted to be the potential beneficiaries of the funds diverted from the Company. In view of the same, Noticees 1 to 5 have *prima-facie* violated Section 12A(a), (b) and (c) of the SEBI Act, 1992 r/w Regulation 3(b), (c), (d), 4(1), 4(2) (f), (k), (r) of SEBI (PFUTP) Regulations, 2003.

***SEBI Act, 1992:***

***Sec 12A. No person shall directly or indirectly—***

(r) knowingly planting false or misleading news which may induce sale or purchase of securities

### **Need for Interim Directions:**

#### **Payments to same content advance entities even after impairment of substantial amount:**

75. It was noted during the SEBI investigation that even after the impairment of Rs.1290.15 Cr. of content advances in FY2019-20, Eros making content advances to CAEs even in FY 2020-21, 2021-22 and 2022-23. The details of which are as follows;

<b>Table 26</b>		
<b>Name of Entity</b>	<b>Amount impaired in FY 2019-20 (In Cr.)</b>	<b>Amount paid during FY 2020-21 to 2022-23 (In Cr.)</b>
Next Gen Films Pvt Ltd	251.70	40.03
Virgo Entertainment Pvt Ltd	88.23	7.96
Spicy Entertainment and Media Ltd	92.20	5.19
RV Films	163.47	1.82
<b>Total</b>	<b>595.60</b>	<b>55.00</b>

76. As brought out in the preceding part of this Order, out of the funds transferred by Eros to these entities, substantial amounts had been potentially diverted by these entities to related parties of the promoters of Eros and not utilized for the stated purpose for which these funds were transferred. It was also noted during the Investigation based on the analysis of the bank statements and GST registration data, that many of the TREs appeared to be bogus entities having no real business.

77. In view of the same, at the instance of SEBI, a BSE Team made a surprise site visit to the registered office of Spicy Entertainment & Media Limited (a BSE Listed company), situated at "Office No. 12, Block A-3, Cows Ghat Road, Ganges

Garden, Premises No. 106, Shibpur, HMC Ward No. 36, Howrah, West Bengal – 711 102” on April 25, 2023, and submitted a report to SEBI. It is noted from the report that “the registered office was permanently closed and no employee or any other person was there. As informed by local people, the Company’s office remains closed all the time, and once in 2-3 months, it is opened for maintenance purposes.” Along with site visit report, BSE also submitted a video taken at the time of the site visit. The same can be viewed from the following QR Code:

78. It is pertinent to note that soon after the BSE site visit, Spicy made a corporate announcement on May 09, 2023, stating that the registered office of the company has been shifted to “4<sup>th</sup> Floor, Room No. 421A, 18 Rabindra Sarani, Poddar Court, Kolkata, West Bengal – 700 001”. A BSE team, subsequently, visited the new registered address of Spicy on May 24, 2023. However, again the premises were found to be closed. The video taken at the time of the site visit to the new office of Spicy can be viewed from the following QR Code:

79. It has already been noted in this Order that Eros had transferred Rs.114.04 Crore to Spicy, out of which Rs.92.20 Crore was written off, and no film/rights were recorded in the books of Eros out of Rs.114.04 Crore paid to them. The BSE site visit report and visuals further strengthens the suspicion that Spicy has no actual business operations and is merely a paper company.

80. Further, with respect to two of the other content advance entities viz. Nextgen and Virgo, it is noted that the GST Registration of these entities has been

cancelled by the GST department suo-moto. This raises serious doubts about the actual business operations of these entities. Even after the cancellation of GST certificates, the Company has made payments to these two entities. The details of same are as follows:

Table 27				
Sr. No.	Content Advance Entity	GST Registration Details		Payment made by Eros post cancellation of GST Registration (Rs. In Crore)
1	Next Gen Films Pvt. Ltd	GST Cancelled suo-moto by GST Department (Effective from 07/01/2020)		40.90
2	Virgo Entertainment Pvt. Ltd	GST Cancelled suo-moto by GST Department (Effective from 27/11/2019)		22.06
<b>Total</b>				<b>62.96</b>

81. It is also worth highlighting here that in the past, Eros has made payments amounting to Rs. 1107.28 and Rs. 580.20 Crore to Nextgen and Virgo, respectively and out of this, an amount of Rs.325.14 Crore and Rs. 105.26 Crore, respectively, has remained untraceable. Further, during the course of the investigation, multiple instances involving significant amounts have been identified wherein the funds paid by Eros to these entities were potentially diverted by these entities to the overseas promoter of Eros (EWW), an overseas connected entity of Eros, etc.
82. In light of the above, given the fact that Eros continues to transfer funds to these potentially bogus entities, the same raises concerns that the Company is still diverting resources to entities connected to its promoters to the detriment of the public shareholders.

**Continuing misrepresentation of financial statements of the Company:**

83. NSE, based on an alert generated at the exchange level, examined the books of accounts of Eros for the period FY 21 to FY 23, and submitted their second preliminary examination report in the matter to SEBI vide email dated February 16, 2023. The said report *inter-alia* pointed out the following:
- a) Qualified Audit Opinion for FY2021-22 - As per the Standalone Financial Statements, the Company has trade receivables of Rs.406.45 Crore from Eros Worldwide FZ LLC ("EWW"), Rs.86.52 Crore from Eros International Ltd. UK (a fellow subsidiary of EWW) and Rs.28.84 Crore from Eros

International USA Inc. (fellow subsidiary of EWW). Dues from EWW of Rs.325.77 Crore are overdue. As per the management, the net worth of these companies has been eroded, and these companies have incurred losses in the FY 2021-22. Further, EWW has made significant write down in the carrying amount of film content. Statutory Auditors of the Company for FY2021-22 qualified their audit report *inter-alia* stating that “we are unable to obtain sufficient appropriate audit evidence to comment on the extent of the recoverability of the carrying value of the above receivables and the consequential effects on the loss for the year”.

- b) More than 95% of Eros’s revenue in FY 2019-20, 2020-21 and 2021-22 was from the aforesaid related parties.
- c) In FY 2019-20, Eros recorded standalone revenue of Rs.669.00 Cr. and as on March 31, 2020, trade receivables were Rs.525.90 Cr. i.e. 78.61% of revenue. In the subsequent two financial years i.e. FY 2020-21 and FY 2021-22, the revenue of the Company decreased by more than 60%; however, trade receivables increased by more than twice and thrice, respectively. In FY 2020-21 and 2021-22, Eros recorded standalone revenue of Rs.244.50 Crore and Rs.218.68 Crore respectively, whereas trade receivables as on March 31, 2021, and March 31, 2022, were Rs.460.81 Crore and Rs.650.99 Crore respectively, the details of which are as follows:

<b>Table No. 28</b>		<b>(Rs. In Crore)</b>		
<b>Particulars</b>	<b>2019-20</b>	<b>2020-21</b>	<b>2021-22</b>	
Revenue	669.00	244.50	218.68	
Trade receivables	525.90	460.81	650.99	
Trade receivables (% of revenue)	78.61	188.47	297.69	
Trade receivables from related parties	490.12	416.64	605.95	
Trade receivables from related parties (% of total trade receivables)	93.20	90.41	93.08	

- d) In the FY 2019-20, 2020-21 and 2021-22 majority of trade receivables i.e. more than 90%, were from related parties. Trade receivables from related parties majorly include dues from the promoter company of Eros, i.e. Eros Worldwide FZ LLC. The same stood at Rs.378.84 Crore, Rs.351.24 Crore and Rs.406.45 Crore as on March 31, 2020, March 31, 2021, and March 31, 2022, respectively.

e) The Company has mentioned that content advances were written off, amounting to Rs.55.96 Crore in FY2020-21. Provision for doubtful advances stood around Rs.38.07 Crore in FY2021-22.

84. Given the above, I observe that there is sufficient material on record to arrive at a *prima-facie* finding that the books of accounts of the Company have been overstated and do not present a true and fair picture of the financial health of the Company. The transactions between the “content advance entities” and the “trade receivable entities”, raises the possibility that Eros was circulating funds whereby amounts transferred as content advances were subsequently recognized as revenue by routing it through trade receivables entities. The fidelity of the financial statements of the Company have been rendered a chimera by virtue of these transactions. This coupled with the fact the Company is still advancing funds to entities which have been potentially involved in siphoning off funds to entities related to the promoters, makes it imperative for SEBI as the market regulator to take action in the interest of the public shareholders of the Company. I also note that most of the TREs and CAEs and their directors failed to cooperate with the SEBI investigation. This recalcitrant and refractory action by entities suspected of siphoning off public funds needs to be dealt with firmly.
85. The potential transgressions, observed during the investigation, dates back to FY 2012. The Board of Directors and the Audit Committee should have been vigilant enough to sound the alarm when they saw flags so red they are downright crimson. The apparent failure of the Board of Directors and the Audit Committee can at best be termed callous and at its worst may indicate a complete abdication of responsibilities and granting a free run to the promoters. The investigation, I therefore note, should enquire into apparent failure of the Board and the Audit Committee to take steps to protect the interests of the shareholders.
86. In light of the foregoing, I am of the view that pending completion of the detailed investigation initiated by SEBI, there is a need to pass an ad-interim ex-parte order to protect the interests of public shareholders as well as the interest of the general investors and to prevent any further deterioration of funds/assets of Eros.

**Order:**
